DEPUTIES' MEETING

Present: Mr. Dulles, General Cabell, Mr. Amory, Colonel White,  
Mr. Helms (part of meeting), Mr. Sheldon, Dr. Kent,

[REDACTED]

MR. DULLES:

a. Noted he had received a copy of a paper (author unknown) on the cold war from the President asking for CIA comments not later than 1 September. He noted copies of this paper had also been sent to the Department of State, George Allen, and Karl Harr asking for their comments too. Action: Copies sent to Messrs. Bissell, Helms, Barnes, [REDACTED] and Cord Meyer. Draft outline of proposed CIA comments to be furnished the Director as soon as possible. The contents of the paper and comments are to be closely held.

b. Noted a statement by Senator Henry M. Jackson concerning a Congressional study of national policy-making organization by the special subcommittee headed by the Senator, and said in all probability he would be called to appear before this subcommittee. He asked Mr. Amory to prepare a brief memorandum on what he (DCI) should cover and noted that Mr. Amory would accompany him if and when he appears.

[REDACTED]

d. Noted that Dr. Keith Glennon, Director of NASA, had asked for an exhaustive briefing for himself and his deputy, Hugh Dryden, on the Soviet space program. Mr. Amory undertook to provide this briefing and make the necessary arrangements to hold it in the Director's Conference Room. Note: The Director indicated he would make "a few introductory remarks."

c. Stated he had received a request from the NE Division to transport by MATS from the [REDACTED] pack for emergency use in the Middle East. He commented that the cost of this transportation was [REDACTED] and he could not see an expenditure of this amount when there is no immediate need. The Director went on to say that he saw no reason the pack in question could not be shipped by sea transport and in the meantime a similar pack assembled for shipment by air if the occasion arises. Action: DD/P
